How to make your own bunting

Instructions:

1. Print the party bunting template. Each A4 sheet of paper makes 6 bunting triangles, so print as many as you need.
2. Cut the A4 sheets into bunting triangles.
3. Make two holes in each triangle and thread the string through all of the triangles.
or
3. Staple the string to the top of each triangle
4. Tie up your string of bunting. Ta-dahh!

What you'll need:

- Printer (ideally colour)
- Sheets of white A4 paper
- Hole punch or stapler
- String
